

# NZMHA Boundary Changes

The Council was asked by the members at the AGM to work towards boundary changes for NZMHA members. The changes are now in place and were done taking into account the 2012/2013 membership numbers in the areas – there is only approximately a 15 member difference between the Proposed Region 2 and Region 3.

The North Island has been reduced to 3 regions and the South Island remains as it is current.

**Region 1:** This region is the upper North Island with the Southern boundary at Huia across to the Auckland Harbour Bridge – including Henderson.

Two clubs in this area – Northland and Auckland.

**Region 2:** This region is south of the Auckland Harbour Bridge to Mokau in the South, across the Island to Ocean Beach to include Napier/Hastings and Havelock North.

Two clubs in this area – Franklin and Waikato

**Region 3:** The rest of the North Island - South of Mokau and Ocean Beach.

Two clubs in this area – Mountain Minis and Southern Eastern & Central
