

UPDATE FROM COUNCIL MEETING – 14-15 December 2013

Boundary Changes

As instructed by the members present at the last AGM, Council has spent the four months since the meeting working on the proposed boundary changes.

Council would like to thank the members who contacted them with their input into this important move forward for NZMHA, especially those members from the wider Auckland area who were present at the July meeting and offered their suggestions.

The calculation of member numbers based on the 2012/2013 membership records in the proposed areas showed a fairly even distribution and each area has two affiliated clubs located within them.

Council therefore considered and subsequently approved the proposed boundary changes as notified to members in Tinytales, the NZMHA Facebook page and the NZMHA website and was available to any member through their Regional Delegate.

These changes will be effective from the next AGM, (July 20th) However for nomination purposes for the incoming Council the nomination forms will reflect the new boundaries.

National Show Programme

Planning is now underway for the New Zealand Miniature Horse Show in Hawera 28th February – 3 March 2014.

The programme was changed slightly to that advertised in Tinytales. The programme is now:

Friday

Start time 8.30am	Futurity Cat A Youth Halter Cat A/B Futurity Cat B Youth Showmanship Breeders Classes Youth Trail/Jumping International Youth Challenge
-------------------	---

Saturday

Start time 8.30am	Cat A Halter Costume / BBQ
