Please return form to
NZMHA Registrar

APPLICATION FOR LIFE MEASURE

This is available for Registered horses 7 years and over.

Horses must be measured at an approved measuring day and the original height certificate and registration papers must be returned, together with this form, to the NZMHA Registrar.

Please note if the Life measure is different to the height recorded on the Permanent Registration Certificate then **photos are required for an updated registration certificate.**

There are no associated fees for this application.
