

2019-2020 Season Heritage Classes Regional Heritage Cup - New Competition Details

The Heritage Horse is what the miniature horse was mostly founded on. They have more bone substance and are of a compact type, completely in proportion. They are not extreme in type or scope, not being as long in the leg and neck as the more current day trend seen in miniature horses. The Heritage Horse temperament should be visibly one of a versatile all rounder - with the sound mind able to be handled by all genre of handler, indeed a heritage horse should be one that lends itself to ease of handling and versatility.

This competition is for older TYPE horses – they can be clipped (razoring optional) and can be shown and presented in the same manner at standard halter classes.

Rules:

Members in all four NZMHA regions will compete for their regional trophy. Points can be earned in any region but only go towards the trophy in your region .

Entry is automatic and results are calculated for you so no need to return results at the end of the season.

Horses can either enter the heritage classes or the standard halter classes but **NOT BOTH** i.e. once a horse shows in the heritage classes it remains in the heritage classes ALL season. But you can still enter other NZMHA classes for best presented, showmanship, youth, head and all performance.

Horses must be NZMHA Registered and have a valid NZMHA height certificate.
